President

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **University of the Cumberland's** conditional license with respect to the Bachelor of Science in Social Work program (CIP code 44.0701) to be offered in a hybrid face-to-face/distance learning format is hereby extended to December 7, 2025.

The licensure of this program remains conditioned upon the university submitting approval documentation from the Council on Social Work Education (CSWE) to CPE once received.

This current conditional license is valid through December 7, 2025, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained CSWE accreditation by that date.

Once CPE receives assurance that the University of the Cumberlands has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.
