Dear Dr. Peterson:

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, and the documents submitted, **Daymar Learning, Inc. d/b/a Daymar College's** conditional license to operate as an in-state, postsecondary institution in Kentucky is hereby amended to reflect the following main campus relocation:

FROM:
3361 Buckland Square
Owensboro, KY 42301

TO:
2421 Fitzgerald Industrial Drive
Bowling Green, KY 42101

The effective date of the change of location is March 27, 2017.

Daymar Learning, Inc. d/b/a Daymar College remains conditionally licensed as per my letter to the college dated January 17, 2017 as follows:

The Council on Postsecondary Education (CPE) received **Daymar Learning, Inc. dba Daymar College's** Supplementary Application for Notification of Change in Accreditation and Licensure Status Pursuant to 13 KAR 1:020 due to the U.S. Department of Education's decision on December 12, 2016 to withdraw federal recognition of ACICS as an approved accreditor.

The institution was granted provisional certification by the U.S. Department of Education for a limited period to permit the institution to participate in the Title IV, HEA programs. Per the institution's provisional program participation agreement with the U.S. Department of Education, if the institution is not closing, then it must promptly seek a new accrediting agency. The institution has indicated that it is in the process of seeking a new accrediting agency.

In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), **Daymar Learning, Inc. dba Daymar College's** license, with main campus in Owensboro, KY, but relocating to Bowling Green effective March 27, 2017, and off-campus site in Bellevue, KY, is conditioned upon the college:

1. Providing CPE with updates as available and at least quarterly demonstrating the institution's progress toward accreditation with an accrediting agency recognized by the U.S. Department of Education until such time as the institution obtains such accreditation.
2. Providing CPE with quarterly updates demonstrating that the institution is in compliance with the U.S. Department of Education and its provisional participation agreement and addendum until such time as the institution obtains accreditation with an accrediting agency recognized by the U.S. Department of Education.
3. Providing any other updates upon CPE request.

Once CPE receives assurance that **Daymar Learning, Inc. dba Daymar College** has satisfied these conditions, CPE will remove **Daymar Learning, Inc. dba Daymar College** from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of **Daymar Learning, Inc. dba Daymar College's** license or an extension of the conditional license upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Director of Postsecondary Licensing, at (502) 892-3031 or email at sarah.levy@ky.gov.

Sincerely,

Robert L. King
