What is the University Center of the Mountains?

The UCM is a partnership and consortium of post-secondary institutions for the purpose of increasing opportunities to obtain selected undergraduate and graduate degrees and professional certifications that address lifelong learning, economic and workforce needs, and community development within the Kentucky River Area Development District.

Quick Q&A

HOW AND WHERE ARE CLASSES OFFERED? Classes are offered through traditional in-seat, interactive television and online delivery modes. The UCM is conveniently located on the Hazard Campus of Hazard Community and Technical College.

DOES UCM AWARD DEGREES? No, the institution in which you are enrolled confers the degrees.

HOW MUCH IS TUITION? Students pay tuition to their respective college or university.

Students save approximately \$8,000-\$10,000 per year on room and board, travel and parking fees.

Is financial aid available?

Financial assistance is available through a variety of programs including grants, loans and scholarships. You may apply for federal and state grants online at www.fafsa.ed.gov. Please be sure to indicate the four-year institution you will be attending as the home college.

The CEOC College Access Counselor is available through the UCM to assist students with the "how tos" of financial aid forms and other admissions procedures. Call the UCM at 606-487-3182 or email Dianna. Handshoe@kctcs.edu for contact information.

HCTC is an equal opportunity employer and education institution.
Revised September 2021

Visit hazardctc.com/ucm

What's available?

A variety of programs are offered—including medical laboratory science, education, criminal justice, and mental health counseling. Some students may also be concurrently enrolled, so they take classes at HCTC while also taking classes with their four year college or university.
