

GO!VEMBER

Do you have a high school student? Do you want to learn more about post-high school education opportunities?

If so, GO!vember is for YOU!

GO!vember is a week (November 8-12) devoted to sharing information about the college-going process with high school students and important people in their lives (like you!). (When we say "college," we're talking about short-term certification programs, as well as 2-year and 4-year degree programs.)

How to participate:

- **Follow one or more of these social media platforms**, on which we will be sharing great info throughout GO!vember:
 - [Facebook](#)
 - [Twitter](#)
 - [Instagram](#)
- **Register to attend this free, online Virtual Parent Night event:**
Paying for College 101 – Presentation and Q&A
Wednesday, November 17
7:00-8:00 p.m. Eastern (6:00-7:00 p.m. Central)
[Click here to find out more information and to register!](#)
- **Check out the GO!vember resource page**, which shares resources to help you and your student learn more about:
 - How pursuing education after high school can pay off;
 - How to complete the FAFSA;
 - How to pay for postsecondary education (certificate programs, 2- and 4-year college);
 - How to choose where to go to college and what to study;
 - How to earn college credit while still in high school;
 - And more!

We hope you'll join in the fun and learning of GO!vember!
