

# GO! VEMBER

## Preparing for College Admissions

### Grade 9

- Develop a relationship with high school guidance counselor and college coach
- Explore options to take AP and/or dual-credit courses
- Get involved and keep a list of your involvement in organizations, leadership experiences, and awards, and service projects

### Grade 10

- Take the PSAT or PreACT
  - Assess where you can grow and take test prep courses offered at your school
- Explore opportunities to shadow a professional or start a part-time job

### Grade 11

- Take the SAT and/or ACT
- Visit colleges you're interested in and attend college fairs
- Research financial aid and scholarship information

### Grade 12

- Retake the SAT and/or ACT if needed
- Visit colleges and/or attend one of their open houses
- Apply to the colleges you're interested in (don't forget to apply for campus housing and scholarships too!)
- Once you've made your college decision, register for orientation by May 1st
