 - Civic Systems Building Lab, April 10, 9am – 3pm ET (in person, location TBD)
- Dual Credit
 - June 6 (in person, time and location TBD)

Student Voice Research RFP

Transfer: Why don't students transfer after completing their associate degree?

While many students aspire to transfer from community college to university, fewer are able to successfully make the transition. The aim of this qualitative project is to investigate the barriers students experience on their journey to a bachelor's degree and potential solutions which may improve the transfer process at diverse college and university campuses in Kentucky.

Keep an eye out for the RFP on CPE's website coming soon!

Invitation to Participate

- **Gateway Course Success:** Inviting postsecondary partners to join the Motivate Lab Initiative to enhance mindset and improve student outcomes in gateway courses.
 - **Eligibility:** Open to faculty teaching gateway courses, co-requisite courses, adult education instructors, and academic advisors serving first-year students.
 - **General Timeline:** We plan to host three cohorts spanning from June 2025 to June 2026
 - **Commitment:** We ask participants to commit to being part of a cohort and actively engaging in both in-person and virtual sessions. Each cohort will generally last the duration of a semester (e.g., August to December).

Guiding Team/Sr. Fellow Recruitment

- Gateway Course Success: Guiding Team
 - Actively recruiting campus and community partner engagement.
 - Contact Ashley O'Neil, Ashley.oneil@ky.gov
- Adult Attainment: Senior Fellows
 - Actively recruiting campus and community partner engagement.
