Council on Postsecondary Education
May 23, 2004 Study Session

2004 Strategic Planning Process
Discussion Questions

- How would you like to be involved in the process?
- What planning issues are on your mind that you would like to see addressed in this process?
- What ideas do you have about who we should meet with, both at the state level and across the regions of Kentucky, and what kinds of questions do you think we should ask them?
- What advice do you have about the regional forums? campus forums?
- What kind of data would you like to see analyzed as we assess the current status of reform and projections about what it will take to fully implement the reform agenda?
