Dear President Tetlow:

The Council on Postsecondary Education (CPE) has received Loyola University New Orleans – Louisville's Supplementary Application for Notification of Change in Accreditation and Licensure Status Pursuant to 13 KAR 1:020 due to the institution's placement on probation by SACSCOC. In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), Loyola University New Orleans – Louisville remains on conditional license for failure to comply with SACSCOC's Core Requirement 13.1 (Financial resources) and Standard 13.3 (Financial responsibility) related to CPE's Standards for Licensure set forth in 13 KAR 1:020 Section 8.

This license is conditioned upon the institution:

1. Submitting a written business plan to the CPE President demonstrating how the institution intends to address these issues at the time in which it is due to SACSCOC.
2. Providing quarterly updates to CPE until such time as the institution is no longer on probation with SACSCOC.

Once CPE receives assurance that the institution has satisfied these conditions, CPE will remove Loyola University New Orleans – Louisville from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that timeframe may result in revocation of the institution's license or an extension of the conditional license upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Executive Director of Postsecondary Licensing, by phone (502-892-3034), or by email (sarah.levy@ky.gov).

Sincerely,

Aaron Thompson, Ph.D.
President
