Aaron Thompson, Ph.D.
President

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **Spalding University's** conditional license with respect to the Occupational Therapy Doctorate program (CIP code 51.2306) is hereby extended to January 22, 2022.

The licensure of this program remains conditioned upon the university submitting approval documentation from ACOTE to CPE once received, continuing to distribute to prospective students the Prospective Applicant letter as advised by ACOTE, and submitting quarterly status updates to CPE about the university's status with ACOTE, until such time as the university obtains ACOTE accreditation.

This current conditional license is valid through January 22, 2022, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained ACOTE accreditation by that date.

Once CPE receives assurance that Spalding University has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Executive Director of Postsecondary Licensing, by phone (502) 892-3034, or by email (sarah.levy@ky.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Shan". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
