Real Hope On Your Path To A Better Life

**ELIZABETHTOWN**  
COMMUNITY  
& TECHNICAL COLLEGE

# Let's build your future *together*

At Elizabethtown Community and Technical College, we work every day with people who just need a little hand up and some guidance on how to prepare for their future. We'd like to work with you on the next stage of your journey and are ready to help you explore career opportunities to determine what program of study best fits your needs and interests.

Fifty-eight percent of jobs in Kentucky require some form of skilled training. That's where we come in. Working with us allows you to earn a certificate in Advanced Manufacturing, Skilled Trades, Healthcare, Business, or Computer Information Technology. Through these certificate options, you could earn up to a \$61,000 salary, depending on the program.

The right education can have a lasting, transformative impact on your future. Let us help change your life.

# COLLABORATION

We are providing hope for individuals to live vibrant sober lives with career opportunities, educational attainment and community support systems," said Melody Ognan, Job Entry and Retention Support Specialist/Success Coach with SITE. "This work will transform the lives of individuals, families, businesses and communities in the Lincoln Trail region, while at the same time addressing the workforce shortage, skills gap and addiction epidemic."

# What solutions do we have?

- **We deliver** programs and services to meet Kentucky's talent pipeline needs including **customized training for business and industry**.
- Regardless of your workforce priorities, **we have a customized solution for your company**.
- We offer a range of options from **new hire to incumbent worker** training.
- **Apprenticeships** and **work-based learning** connectivity.
- We can help your company increase retention, attract a skilled and reliable workforce, and improve employee productivity and satisfaction.
- We can also **offset the cost** of your workforce initiatives **at up to 75%** through our KCTCS training funding.
