

# HEALTHCARE WORKFORCE COLLABORATORY

October 10, 2023

Marriott Griffin Gate, 1800 Newtown Pike, Lexington, KY 40511

TIME	SESSION
8:00-8:50 a.m.	<p><b>NETWORKING BREAKFAST</b></p> <p>Join your fellow attendees for a hot breakfast and introductions before the day's sessions begin. Buffet will close 10 minutes before the morning keynote.</p>
9:00-9:35 a.m.	<p><b>WELCOMING REMARKS &amp; OPENING KEYNOTE</b></p> <p><b>THE FIVE P'S: PARTNERSHIPS, PATHWAYS, PROCESS, PIPELINES, AND POTHOLES</b></p> <p>The mission of higher education and workforce development is inextricably linked: both are focused on preparing individuals to compete in a global economy to improve Kentucky's standard of living and quality of life. It makes perfect sense, then, that CPE would turn to state agencies, higher education institutions and employers to solve our critical shortage of healthcare professionals. In this session, CPE President Aaron Thompson will describe the evolution of this innovative approach in terms of "the five P's" and sets the stage for the day's events.</p> <ul style="list-style-type: none"><li>• Dr. Aaron Thompson, President, Kentucky Council on Postsecondary Education</li></ul>
9:35-9:55 a.m.	<p><b>CREATING AND SUSTAINING KENTUCKY'S HEALTHCARE WORKFORCE COLLABORATIVE: THE JOURNEY CONTINUES</b></p> <p>Dr. Leslie Sizemore will highlight the accomplishments of the Healthcare Workforce Collaborative (HWC) and its 23-member advisory group, now in its second year of existence, and discuss current and future HWC initiatives.</p> <ul style="list-style-type: none"><li>• Dr. Leslie Sizemore, Assistant Vice President, Workforce Initiatives, Kentucky Council on Postsecondary Education</li></ul>
9:55-10:20 a.m.	<p><b>A SNAPSHOT OF KENTUCKY HOSPITALS</b></p> <p>Hospitals provide countless services to their communities, from high quality patient care to employment opportunities to significant economic contributions. Unfortunately, Kentucky's hospitals and healthcare systems continue to face critical workforce shortages and exponential growth in labor costs. This session will explore the current state of Kentucky's hospitals and possible solutions to improve healthcare quality and access.</p> <ul style="list-style-type: none"><li>• Dr. Nancy Galvagni, President and CEO of the Kentucky Hospital Association</li></ul>
10:20-10:35 a.m.	<p><b>COFFEE BREAK</b></p>

<b>TIME</b>	<b>SESSION</b>
<b>10:35-11:45 a.m.</b>	<p><b>AUGMENTING HEALTHCARE AND WORKFORCE WITH ARTIFICIAL INTELLIGENCE</b></p> <p>Artificial intelligence has moved from a future concern to a modern reality. Join this session to hear a facilitated panel discussion on how AI is augmenting work processes within healthcare and how it will impact future healthcare workers.</p> <ul style="list-style-type: none"> <li>• Moderator: Carl Wilson, Senior Fellow, Kentucky Council on Postsecondary Education</li> <li>• Dwayne Buckles, Business Development Manager, Pringle Robotics</li> <li>• Cody Bumgardner, Ph.D., Division Chief for Pathology Informatics, University of Kentucky</li> <li>• Roderick W. **Fun Fact:** A “Collaboratory”, as defined by William Wulf in 1989, is a “center without walls” where data-centered problem solving occurs. The purpose of this Healthcare Workforce Collaboratory is to provide an opportunity for shared ideas, strategic planning, and partnership development. To do this, we’ve limited attendance to in-person only and are glad to welcome everyone to Lexington, Kentucky.
