	Section break title is for easy navigation for the wireframe only. Please don't include this language on your webpage. Feel free to add a heading here that reads something like, "Other Resources."		
	Author: rjaaahmed	Subject: Sticky Note	Date: 6/26/26, 1:03:08DPM
	Include any other basic needs related webpages or resources housed elsewhere on your institution's website. The goals is to create a page that "centralizes" every service, resource of piece of guidance that a student experiencing BNI or staff/faculty trying to support them may need.		
	Refer to the "Read Me: Suggested Website Text" document for more information about what to include here.
