The Starting Gate to Success program is designed to help ease the transition to college life for first-time freshmen. Students who participate in the Starting Gate to Success program receive the following benefits:

- the opportunity to move in early and participate in activities designed to help students navigate the college process
- the chance to meet new students and build lasting relationships through social events
- individualized programming designed to support academic, career, financial, and personal goals
- peer-group mentoring support throughout the first semester

Students who complete Bridge Week, three workshops, and three mentoring sessions will earn a \$500 stipend to be applied to the Spring 2024 semester.

COST

There is no cost to participate in the program. Housing and meals (breakfast, lunch, and dinner) are provided during Bridge Week. Resources and supplies, student workshops, and peer mentoring are provided to participants free of charge during the Fall semester.

WHO CAN APPLY?

The Starting Gate to Success program is open to incoming first-year MSU students. Preference is given to students who have previously participated in TRIO programs or who are first-generation college students, but ALL students are encouraged to apply.

DATES: August 9-11, 2023 (mandatory Bridge Week), Fall workshop dates to be announced
