

UPIKE **FIRST**

SUMMER BRIDGE PROGRAM

Join us on campus this summer and get a jump start on college life!

- » FREE tuition for FS 102 First Year Seminar (a two-credit hour general education course required of all first year UPIKE students)
- » FREE tuition for MTH 100 Preparatory Mathematics (one-credit hour) or MTH 105 Contemporary College Math (three-credit hours). Placement in these courses is based on high school GPA, math ACT scores, and intended major.
- » Early service, social, academic, career and personal development programs outside of coursework
- » Small class size of no more than 18 students
- » Early orientation to college life for a smooth transition
- » Access to accelerated academic coursework

Make new friends!

FOUR-WEEKS

Students will participate in a four-week program where class meets every Tuesday and Thursday with evening activities on Wednesdays.

- » Non-residential.
- » FREE parking.
- » Attending all course meetings is vital for this accelerated course.

JUNE 2023						
SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	

BENEFITS

- » Training in skills necessary for college success that are built into the curriculum of FS 102, such as time management, critical thinking and growth mindset.
- » Early access to campus resources and your first-year advisor.
- » Lunch provided on class days and dinner provided during evening activities.
- » Completing FS 102 and MTH 100/105 prior to the fall semester allows more flexibility for fall semester courses.

REQUIREMENTS

- » Students must attend GROWL on May 24, 2023 from 1:30-7:30 p.m. and register for the Fall 2023 semester (full-time).
- » Students who qualify for the Pikeville Promise scholarship will be given preference. (Must be a Kentucky resident and display full eligibility for Pell Grant while also receiving College Access Program and Kentucky Tuition Grant state financial assistance awards).

Applying is simple!
